PROFESSIONAL EXPERIENCE

WEB DESIGNER & HOST

01/2006 – Present

HMT3DESIGN.COM

REMOTE, VIRTUAL OFFICE

- Build and host WordPress websites for various clients including conducting comprehensive design with Adobe Creative Suite tools
- Support and collaborate remotely with clients distributed nationally using Zoom and Google Meet.

KEY PROJECTS

- Carry out extensive design of voter guide magazines of up to 64 pages for distribution prior to major elections utilizing Adobe InDesign, Illustrator, and Photoshop. Created innovative ways to present information in grid format to reduce repetition and streamline access to information.
- Act as webmaster for WordPress websites. Built sites implementing tools such as Bricks Builder and Oxygen, post content, perform updates, and maintain sites.
- Create engaging graphics for social media posts for channels including Facebook, Instagram, and Twitter.

ADDITIONAL PROFESSIONAL HIGHLIGHTS

INFORMATION GRAPHIC ARTIST

SAN ANTONIO EXPRESS NEWS

- Instrumental in creating a wide variety of information and special graphics including maps, data grids, text boxes, magazine layouts, as well as designing and building interactive web projects.
- Collaborate with reporters, editors, and photographers to meet daily deadlines while working with key clients such as the San Antonio Spurs, MySanAntonio.com, Express-News, and graphics that were used by the Associated Press.
- Converted wire service graphics into alternate graphic style and designed magazines for print and online publication.
- Reputed as a subject matter expert and go-to person for the ability to execute projects and successfully turn them around within tight deadlines.

MILITARY PHOTOJOURNALIST

U.S. ARMY | AIR FORCE HOMETOWN NEWS – KELLY AFB, SAN ANTONIO, TX

- Traveled internationally, writing and photographing engaging stories of soldiers and airmen for publication.
